About Me

My name is Kushagra Kataria, and I am a 12th grade Non-medical student at DPS, Ajman. I have always been passionate about Programming, web development, Video Editing and pretty much everything related to technology. As a student, I have always been academically inclined and enjoy learning new things. I am particularly interested in Maths, Computer Science & Robotics, and I always strive to excel in my coursework and I am constantly seeking opportunities to challenge myself and broaden my horizons. Aside from my academic pursuits, I am also passionate about giving back to my community and looking for ways to make a positive impact in the world.

CO-CURRICULARS

- Basketball
- Table Tennis
- Chess
- Handball
- Hackathons
- Coding Competitions
- Maths Competitions
- Photography
- Robotics
- Video editing

Languages

- English
- Hindi

LEADERSHIP AND WORK EXPERIENCE

2018-2023 — **Student Council**
- Head Boy (2022-2023)
- Deputy Head Boy (2021-2022)
- Deputy Head Boy (2020-2021)
- International Ambassador (2019-2020)
- International Ambassador (2018-2019)

2022- 2023
1 month
(Dec-Jan) — **Intern, Digital Marketing | Realecole**

I gained a thorough understanding of online marketing strategies—including search engine optimization, social media management, and pay-per-click advertising—during my internship in digital marketing. I obtained practical expertise in creating captivating content, evaluating the effectiveness of campaigns, and making data-driven choices to maximise marketing tactics

2022- 2022
1 month
(Jul-Aug) — **Intern, Web Developer | Emicon Advisory Services LLP**

I gained an extensive understanding of the fundamental languages of front-end programming, including HTML, CSS, and JavaScript. Learning Angular and Bootstrap helped me expand my skill set. Angular's powerful framework facilitated the creation of dynamic single-page applications, while Bootstrap's pre-built components streamlined the development process.

Education - Delhi Private School, Ajman

2023-2024
CBSE — **Grade XII**
- Mathematics
- Computer science
- Physics
- Chemistry
- English
- Multimedia
